

High Roller

Heavy Duty Cleaner & Degreaser

sovren

Product Information Sheet

Powerful concentrated cleaner and degreaser.

High Roller is a concentrated, water-based cleaner and degreaser that removes heavy grease and grime in kitchens and bathrooms. Suitable for a range of surfaces, including ceramic & quarry tiles, concrete floors & stainless steel.

High Roller is ideal for spray and wipe, floor mopping, pressure washing and automatic scrubbers.

FEATURES

- Quickly cuts through grease, oil, grime and stubborn build-up, reducing scrubbing time,
- Concentrated formula provides flexible dilution rates and excellent cleaning performance while helping reduce product usage and overall cleaning costs.
- Suitable for kitchens, workshops, warehouses and hard floor surfaces including concrete, tiles and vinyl. Can be used for mopping, scrubbing or spray and wipe cleaning

DIRECTIONS FOR USE

LIGHT: 1:100 – (10mL) per litre for general cleaning and spray and wipe applications.

MEDIUM: 1:50 – (20mL) per litre for kitchen cleaning and grease build up.

HEAVY: 1/10 – (100mL) per litre for heavy duty cleaning and degreasing.

Always follow the safety instructions on the product label
