

OG CLASSIC

Oven & Grill Cleaner

sovren

Product Information Sheet

OG Classic is a powerful alkali based, brown liquid formulated for heavy duty kitchen cleaning.

It is designed to effectively remove baked on food soils, grease, oil, and stubborn food residues from combination ovens, hot plates, grills, and a wide range of commercial kitchen equipment.

FEATURES

- Heavy-Duty Alkali-Based Formula
- Powerful Grease and Fat Removal
- Effective Against Baked-On Food Residues
- Removes Oil, Grease & Carbonised Soiling
- Suitable for Commercial Kitchen Cleaning
- Ideal for Ovens, Grills & Hot Plates
- Works on Combination Oven Equipment
- Breaks Down Tough Food Deposits
- High-Performance Industrial Strength Cleaner
- Designed for Professional Use

DIRECTIONS FOR USE

Neat: Use neat (undiluted)

Remove excess grease and carbon deposits with a scraper and rinse with water. Spray the cleaner directly on the equipment and let it sit for 3-5 minutes.

Wipe off residues with an absorbent cloth and rinse with water.

AVAILABLE SIZES
